

Dear Exhibitor,

On behalf of Imaging Sciences International, we would like to invite you to exhibit and sponsor The 6th International Congress on 3D Dental Imaging. We are excited to announce that this year, we will have two events. As in the previous five years, this meeting brings together dental specialists and 3D experts to educate and discuss the benefits of 3D technology to treatment planning and patient care in the dental or specialty practice. Cone Beam 3D technology is still an emerging trend and innovative topic in the industry. Every day, dentists and specialists are being exposed to this revolutionary new technology.

As an exhibitor, you will have the extraordinary opportunity to reach this audience and increase your exposure with unique sponsorship opportunities. Please take a moment to review the list of sponsorships included on the exhibit application.

The two events will be held April 27-28, 2012 at the Epic Hotel in Miami, Florida and on October 26-27, 2012 at the Inverness Hotel in Denver, Colorado.

This is an excellent opportunity for your company to communicate directly with prospective customers including current i-CAT® and i-CAT Precise® customers as well as other dentists considering this technology. The meeting will feature vendor exhibits and prominent speakers highlighting the latest advances in Cone Beam 3D Imaging.

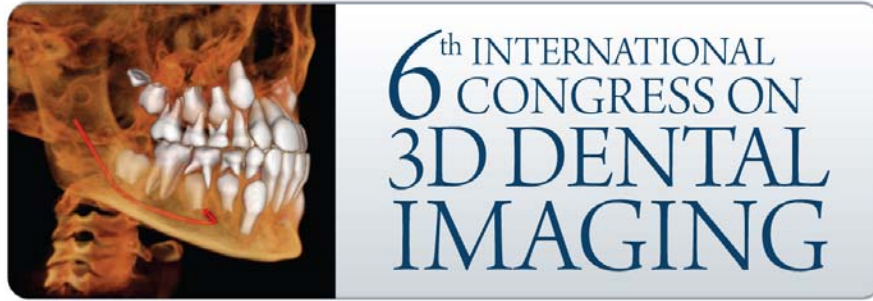

The exhibitor fee for each Congress is \$2000.00. **Sign up today** to receive our early bird discount of \$1750 (if registered by March 31, 2012)

If you will attend both of the events, the exhibitor fee is \$3250 for both events. This is a savings of \$750! Fees for both the April and October programs are due and payable before April 15, 2012

Exhibitor fee includes:

- Exhibitor forum Friday and Saturday
- 2 company representative badges
- Four meals and a cocktail reception (per event)
- 6' Table, 2 chairs **NO POP UP BOOTHS or retractable banners, please.**
- Listing including logo and company description in the official meeting program
- Links to your company website posted on the meeting website ([www.i-CAT.com](http://www.i-CAT.com))
- Representation on all meeting signage

Any electrical needs (including internet access, material handling or labor charges are not included in the exhibitor fee and are the responsibility of the exhibitor.

**You have the ability to DOUBLE your exhibit space for FREE! Simply register 10 attendees by promoting the event with materials provided by Imaging Sciences and get an additional booth space for FREE! To inquire about further details, please contact [Nicole.serago@imagingosciences.com](mailto:Nicole.serago@imagingosciences.com) or by phone at 267-954-0227.**

Sponsorship opportunities are listed on the exhibit application. Sponsors will be recognized in all promotional materials distributed before the meeting and prominently recognized during the formal presentations.

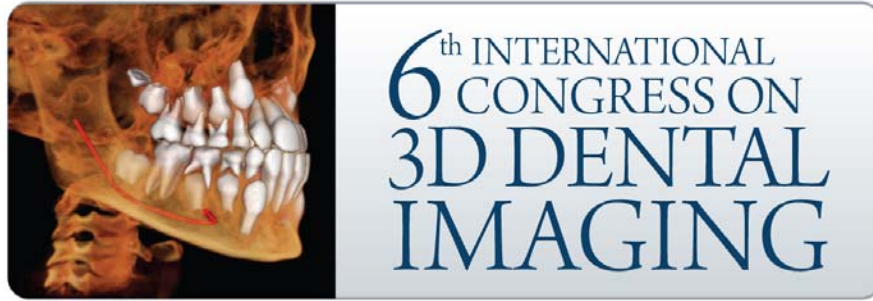

Last year we sold out of exhibit space and expect to do so again this year. Exhibitor and Sponsor space is limited and will be filled on a first come first served basis, so please register TODAY! Online at <http://www.cvent.com/d/fcq0c2>

If you have any questions or need any additional information, please contact Nicole Serago at 267-954-0227 or by email [Nicole.serago@imagingosciences.com](mailto:Nicole.serago@imagingosciences.com).

Please complete the application and contract for exhibit space indicating your preferences for sponsorship opportunities. A floor plan will be sent after the contract is received!

We look forward to seeing you in April and October.

Best regards,  
Nicole Serago  
Imaging Sciences International
